“ Only learned of Gene's passing yesterday. I remember him as a humble and faithful servant. It was always a pleasure to see him at SWCC. We shared our love of Great Britain. Deepest sympathy to his family and dear friends.

“ Keeping you all in my prayers. I witnessed Gene in a number of different roles (mentoring youth and singing in Sanctuary Choir at SWCC and working at First Atlanta/ Wachovia). All were carried out with a lot of kind, caring, servant leadership. I believe he lived out Col 3:23 well.

“ It was my great pleasure to have known Gene. We met at The Bedford School where he volunteered in the afternoons. We spoke of many things those many afternoons while I waited for my son to finish his school day. I had lost my brother and my father the previous year and Gene helped fill a gap in my life. He was a genuine kind of a guy who cherished his family & enjoyed recounting his many memories with his children. I will miss our talks & know that he's in a better place. God Bless Gene & God Bless Martha, their sons & their families. He was a great son, husband, father, grandfather & great-grandfather. He will live on in each of you.
