“ *We were fortunate that our son, Chris Brooks, had Earl as a Father-in-law. He was so gracious in welcoming us to the family 30 years ago. Always curious about the world. Cared so deeply about his family and community. His extraordinary memory. His willingness to take on difficult tasks are some of the many things we admired about him. Love to everyone there who is mourning his passing. Know his passing is being felt as far away as Australia. Anne & Doug Brooks*

“ Earl Moore was a dear friend to me, not only because he was dating my best friend, Linda, but because he was so intelligent and interesting to talk with. Earl couldn't sit still very long as evidenced by the trips he and Linda took together. Whether it was a trip to Alaska or a day trip to the mountains, he knew how to have a great time. One of my favorite things I loved about Earl was his love for his family. And what a wonderful family he has. I truly think God puts people in your path for a reason, and I'm so thankful He put the Moore family in my path. To his family: what a dedicated father, step-father, grandfather, great-grandfather and uncle. To me: what a caring, loving friend who always made me feel like family. I love you, Earl Moore and will miss you more than you know.
