“ So sorry to hear of the passing of my great high school buddy. So many good memories from countless hours fishing together on the Tugaloo River and water skiing and fishing on Lake Yonah. I will always remember him as a loyal friend and will never forget the times that we spent together in our youth.

Earl was a great neighbor for 31 years. I will miss him greatly for our infrequent but lengthy conversations. Fortunately we were able to have more of them lately after I retired. Will never forget last year moving a couple beehives with him at night and him backing into my trailer and stumbling over a spare tire. He dropped his end and bees were everywhere. He was laying on his back and said "Help me, they getting me!" He forgot to bring his bee suit so I hurried around and opened up the side door and let him out. He loved life and will be sorely missed.

Rosemary and family, I am deeply sorry for your loss. I know the anguish, deep feeling of loss and absolute sense of helplessness you feel. It is devastating but you are strong and will get through it. Hold on to the sweet memories and be thankful for the time you had together.
