“ Tracy,
I was saddened for you and your family when I read about Mrs. Edna's death. I have thought about you the past few months and couldn't find your phone number to call and ask how you and your mom were doing. You both were so kind and caring to my sister-in-law, Edith Jones, when she was a resident at Sparks Inn and for a short time in rehab at the Christian City nursing home
I'm sorry I cannot come to the service today but I do want you to know I have prayed for you and for your family today...asking God to give you strength and encouragement. You were a faithful daughter. Edith is still at Southland Health & Rehab and is doing very well.
With prayers and caring thoughts,
Pat Carden

“ Edna was loved and will be missed by the seniors at the Silver Belles and Beaus of Union City where she was a member for a long time. We have missed her presence for a good while and know that she is in a better place.

“ Miss Edna, what can I say? I loved her spirit and feistiness, and her ability to smile and laugh. She was a heck of a woman and I loved her so much! Before her stroke I was privileged to visit with her almost every Saturday while Melanie was doing her hair and then after the stroke also. She was an unforgettable lady and I know she will be missed by her beloved children and grandchildren. My prayers go out to you all.

“ My sympathy goes out to the family of Edna Montgomery. She was so full of love and energy before her stroke. I knew Edna when she dated Tom Jones who was my Father-in-law at the time. They loved to go square dancing. She was always smiling and so happy. May her family find comfort in all the wonderful memories.

“ Edna was a square dancer, a truly loving and concerned mom, a whole lot of fun to be around! We went on several weekend trips and had such fun, laughed and talked nonstop and met new friends and shared stories about our children and grandchildren and God and life. She will always be remembered with love!
