“ Ms. Lucy was like a grandmother neighbor to me. She watched over me and showed me respect as a neighbor. She taught me, no matter the age, we can still do yard work. I remembered when I first moved next door seeing her on the Cub Cadet riding mower with her starched white buttoned down shirt and white pants with white hair. She and I would have numerous conversations at the fence talking about life. I remembered when I told her my son had passed and she dropped to her knees in tears. I remember when she brought me a box of fresh made cheese sticks for Christmas. I would be remised if I didn't mention the time I was selling the pool slide and the person came to pick it up and opened my gate while I was in the back, when I went to meet him she was standing at the fence with a shotgun ready to take him out. Now I know the spirit of Ms. Lucy will always watch over me no matter where I am. I am blessed to have known such a beautiful spirit. She will be sorely missed as a neighbor grandmother. RIP Ms. Lucy and thanks for the 16 years of love.
