“ *My friend, my best buddy from Eastern Air Lines has gone. I learned from a patient at the hospital where I worked. I am devastated that I didn't get to talk to him one last time. He was a joy, funny and unbelievably witty. I will miss him with all my heart. He said I was the son he never had.*

“ *I am saddened to get this news about my classmate. Try to remember that death does not extinguish the light; instead the lamp has been turned off because the dawn of eternity has come. May you find peace in knowing that the Lord's perpetual light is shining on Ed now and always.*
