“ My deepest sympathy goes out to Cythina and the family. Ed Hope was my mentor. He taught me everything there was to know about playing softball and basketball. We had so many wonderful years together playing sports. I so wish I would have had more time to stay in touch with Ed and the family. Cythina was like a sister to me. The wonderful times we all had together are forever embedded in my heart. I will miss you Mr. Ed Hope. That smile of yours i'll always remember. Say hello to my dad for me. I'm sure ya'll will have some great memories to talk about. Rest in peace, Ed. And while i'm thinking about it. Look down and call me "SteelWool" just one more time! You will be missed and always loved.

“ I met Ed several years ago when I sat near him at a Pinecrest service at Dutchtown High and he started talking to me. It was though I had knew him for years after just a few minutes of conversation. I think Ed was like that with anyone he met and that just made him so likable. I could see he was a good Christian by his walk and he was eager to share the gospel to anyone he met. You know you will miss a guy like this but you also know you will look forward to the day you see him again in Heaven. RIP ED!
