“ I graduated with Margaret from Spring Valley in 1965. She was a wonderful person and well liked by everyone who knew her. When I contacted her for our 45th class reunion last summer at Forestville State Park she couldn't make it because of family. We have been keeping in touch through facebook every since and I'm so sad we will not see her smiling face again. You have my deepest sympathy.

“ I was so surprised and sad to hear that Margaret had died. I worked with her at WITC for many years. I took several of her classes, plus we taught classes together. She always had a smile on her face and a positive outlook on life. My condolences to all of her family!

“ EJ, though we have not spoken in many years let me express my condolences at your loss. I did not know Margret but from the bio in the website she seemed to be an active person involved with her community and children. Mike

“ Margaret was my cousin. As a child I played with her at her father's farm located near Spring Valley, Minnesota. I recall hunting tadpoles in the ditches adjacent to the long, straight driveway to her home, where Margaret's brother Bob Keim now lives. She and her sisters, perhaps Katherine and Sara, Margaret, and I were barefoot and found tadpoles with great success. Margaret was a pretty and joyful child. My affectionate name for her was Mopsy. I don't know if only I or others also used this name. I have happy memories of being with Mopsy. May she rest in peace.

“ Margaret was a "one of a kind" person/friend that you always hope you meet because they make your world a better place to be in just by knowing them. She shared her vitality for life with everyone she met. We shared a love of flower gardens, sewing & family and talked many times of those & many other topics. The world will be a sadder place with Margaret not here to add her gift of life & sassy sense of humor to it. She will be sadly missed by many. May the grace of God be with all of her family to help you through this very trying time and know that she will always be watching over you in spirit. Rest in Peace dear friend.

“Margaret was my supervisor at WITC. She was a wonderful supervisor. I also consider her my friend. She was one of the people in the world who was just a good person. She didn't speak badly about anyone and had such a good sense of humor. I loved to hear her talk about her grandchildren. She loved spending time with them. I'm so happy that she was able to retire early and spend extra time with her children and grandchildren, as well as with you Ed. I am so sorry to hear about her passing. I still can't believe that it is true. She always sent e-cards to me for all the holidays and my birthday. I will miss that. Margaret was such a thoughtful person.
