“ My deepest condolences to the family. Efrain was a very special substitute teacher for our World Languages department in SMHS. When we met for lunch (pre-covid) and Efrain was in the hallway we always new that he was going to make us laugh. He had a great sense of humor and shared stories that we will never forget. He was THE substitute for us his best friend Walter was also someone that when he joined Efrain would have great stories to tell. I kept in touch with him through messenger and shared with him names of restaurants of food from Puerto Rico. La casita Boricua was one he visited and told me that he went and wanted to go again. He was a good friend and very knowledgeable, wise and caring. I know that he is with the Lord. The last time I talked to him in messenger was July 18th. I will miss him.

“ Certain people enter your life that will stand out for a life time, & Efrain was one of those people. I hadn't seen this family in 20 yrs or so, but I can still hear that laughter he had. My prayers are with all his family, but I'm sure he had family waiting at the gates for his arrival when he entered his permanent dwelling place. God Bless his precious family. 🙏🙏🙏
