“ *I met Eileen when she worked at Kids R Kids in the infant room. I was a first time mom and this was my first experience with daycare. I couldn't have asked for a sweeter person to care for my son, Garrett. She was wonderful with the babies and gave me such peace of mind. We would run into each other every now and then around Newnan and she would always ask about Garrett. It's been almost 22 years since the infant room at KRK, but I still have fond memories of Eileen and appreciate the kindness she showed to our family. I know she will be missed by many. Prayers to the family.*

“ Mike and I are sending our love and sincere sympathy (along with Amanda, Molly and Maura) to all of you. Eileen and Larry were our neighbors and good friends from 1978 to 1983 when we lived in Pittsburgh. It was a wonderful neighborhood with lots of fun and friendship. We had a ladies 500 bid card club and a couples club as well. Some of our happy memories that we cherish are the Halloween parties, block parties and late night walks with the ladies. Eileen and Larry were always part of the fun. They hosted many parties and were fantastic hosts. We all had small children that played together and our days spent on Mc Allister Drive were some of the very best days of our lives. Eileen was loved by many. She will be forever missed by many. We will hold her in our hearts always. Love to all of you, Gloria and Mike Morgan and girls.

“ We did not know Eileen well but shared time in our (designated pew) behind her and Larry at church. We will miss her smiling face and stories of her and Larry and her family. She was such a sweet person.

“ Countless memories made with Eileen. But nothing more remains on our hearts then knowing that she has everything in place up in heaven! You know she has things in order and we are so glad she does. Thank you for always being honest with us and opening our eyes to what was important. What we would do to have her back even just for a moment... God certainly gained a very special angel. I miss you already.

“ *My fondest memory of Eileen is when she and Larry hosted the SVdP Christmas party. She was a perfect hostess and was so proud of the advent wreath on the dining table where we said grace. Enjoyed speaking with her another time at the rectory. She was always gracious and kind.*
