“ *Elisa was one of the nicest, most patient people I ever met. As an employee at Wage and Hour she was so very competent, conscientious, and hard working. As a friend she was so positive and warm, and such a pleasure to be around. She was so very proud of her family and when she talked about you I could just see the love she had for all of you. I will miss her bright blue eyes, pretty smile, and her friendship. You will all continue to be in my prayers.*

“ *I met Elisa by phone due to work back in 2008. I met her in person later. She was a friendly, efficient, helpful person who let nothing dismay her. I leaned on her many times due to the fact that I could count on what she said and that she would go out of her way to help. She was one of the few resources one could rely on in the Atlanta Regional Office. She never complained in my hearing and when she talked to you, she gave all care and consideration to your concern even though there were many, many things on her plate. She is missed I am sure by an entire region of wage & hour workers. I miss her as a friend even though I am now retired and 2000 miles away.*

“ I would like to take this opportunity to send my prayers and condolences to the family during this difficult time. I had the pleasure of working with Elisa, almost on a daily basis, during my tenure as the WHOA in the Jackson, MS District Office. We also worked closely together on support staff training projects. She was such a kind & patient person that always had a warm & beautiful smile. She was always willing to help and I learned so much from her. Elisa you will be greatly missed by everyone in Wage & Hour.

“ *I met Elisa at work. I work in Savannah so I was not able to see Elisa daily. We worked together closely via telephone and email. When we went to training she and I would have breakfast together. Elisa was one of the most genuine, friendly people that I have ever had the pleasure of knowing.*

We followed each other on facebook. I don't think that I will ever see a 5th wheel or Snoopy without thinking about Elisa. She loved her family and was especially proud of her husband and son. I can only imagine the loss they feel. I miss you Elisa. Thank you for being my friend.

“ I met Elisa at work 15 years ago at the USDOL/WHD. She was an incredibly nice person who was so caring and willing to help. I, and many other co-workers called her constantly asking questions and she never made us feel as though there was a dumb question (I know I asked more than a few). She'd just help you and have you glad to have talked to her that day.

You will be missed greatly!
