*I am so very Blessed to have known you. I will never forget meeting you in person several years back and having breakfast with you and Jim on your way home from a Hospital in Boston. I still have the picture with you on my phone and I loved helping you check out your book before it went to print. Thank you for allowing me to check it out. I know you are with the Lord and you are in a brand new body and out of pain. To be absent from the body means to be present with the Lord. May the Lord pour Peace, Comfort and Strength on Jim and all of the family you left behind. Love you my sweet friend. Judy Bogan*
