“ I'd like to express my sympathy to the family. I worked with Libby at HQ FORSCOM and even though there are only a few of us remaining that worked with Libby her professionalism and efficiency remains the standard we've come to expect. Know that she was not forgotten.

“ *Libby was a sweet heart who loved her daughter Gay, her grandchildren and great-grandchildren. Glad you all got to spend time with her earlier this month on your annual family vacation in Pauly's Island. Heaven has another angel and B.A. and Martin are surrounded by her love again.*

“ *Gay,*

I'm very sorry to hear of your loss. As you probably know my mom passed this year as well. It would seem that many of us are going through the same thing now. I guess it comes with our age. I have heard, and now have experienced that many events seem tougher the first year. We will keep you in thoughts and prayers.

“ *I'm a first cousin of Libby. I just want to say she was the sweetest person and I'll miss her. We didn't have a lot of contact through the adult years, but she had started coming to the Dunn family reunion just before her husband, B.A., passed on. She came last year and we all had a nice visit. Love you, Libby.*
