“ Dear Mary, Sharon, Rick and Jerry “ I know your Mom was not doing so well, but it was still a shock when we received the phone call of her passing. My heart and prayers go out to her and your families. When we were kids, it was always fun to visit your Mom and you never knew what we would end up doing. I remember going to a lot of garage sales (maybe hundreds of them) and buying all sorts of “œstuff” and then coming home and before long, it would end up in her garage sale! Another happy memory was when she would start up the old player piano in your dining room “œthat was pretty “œcool” when we were only 7 or 8 years old! Last August when we were in Cumberland, we made a point to stop and see your Mom and you could tell she was having a hard time of it, but her sprits were up and she still had a sense of humor and that says a lot for her. I am sorry we can’t make it to the funeral, but please do know, we are thinking of you all and will miss your Mom very much. Love, Nick, Rory and Megan
