“ I worked with Ellis when he was at E*TRADE, he was a true partner in Technology, loved his co-workers and his job. Anytime we did any sort of fundraising, Ellis was the first in line to donate or dig in and help. He was truly one of the most generous people I've known. You made an impact with us and you'll be forever remembered and missed!

Our thoughts and prayers are with you!

“ I had the pleasure to work with Ellis since last year, he was a true gentleman, very knowledgeable, friendly, always willing to help. He had a witty sense of humor & a very contagious laugh, he will be sadly missed by all who had the privilege to know him. My sincere sympathy & prayers go out to all of Ellis's family & friends, May he rest in peace.

“ Dearest sweet Beth - I'm praying for peace and comfort for you. May the Lord hold your brother in his arms and cherish him as a beloved brother. We're all concerned about you, and a collective prayer is going strait to heaven from your sisters.

Prayers r going up for u Beth, as we as, for all of his friends & loved ones. Hate that my old friend has left this earth at such an early age. Trey was "The Man", when it came to answering EVERY question n the form of a question on Jeopardy! His laugh is one that I hav never forgot & he played a pretty good game of volleyball. He will truly b missed!
