“ I used to hang out with Paige everyday just about, back in the late 80’s. We partied at club Rio in Atlanta and she worked at the Mall. I saw her in her Mercedes not far from Newnan Campus a few years ago and it was like no time had passed. She always held a special place in my heart, and I’m gonna miss her. Anyone who knows her will.

“ Paige and I worked together at BHHS Georgia Properties for many years. She was always willing to pitch in and help no matter what the circumstances. Most times during our conversations (or texting) she would make me laugh as she always found the good in people and always found a reason to make me smile. She will be missed.

“ My dearest Paige. We met many years ago but reconnected in 2018 when you became my realtor. We spent almost every Saturday together for over 2 years looking for that “perfect” house. Talking and having lunch afterwards was the best part —and you never gave up on me 😊. We finally found that house in 2020 in the midst of Covid so our celebration was limited. We still checked on each other and had an occasional lunch. I’ll miss your smile and laughter. Rest my friend. Love always❤️. Lisa Miller

“ *The sweetest personality has left us and is now in Heaven. I'll always think of Paige as lighthearted, funny, a hard worker, such positive energy, a giving heart and ... a true fasionista! She loved dressing up and sporting her high heels! If she walked in the room you couldn't help but smile. She radiated happiness. Heaven has gained another Angel. RIP Paige.*

“ *If I ever wanted a good laugh or to be cheered up all I had to do was call "Miss Paige". She was one of a kind and a good pal. She will be missed. I've had so many folks contact me about her passing. If you did business with Paige it really became a friendship, bless her family in this time of loss.*

“ Prayers for Paige’s family. Lord, that you will be with them in the days to come and be the light when the darkness will seem to never end. Watch over them and protect them and let them understand this loss. MAny Prayers to you all. Paige I was just getting to know you better and was shocked at how we were so much alike in so many ways. You were an Awesome person, mom, friend, sister, and realtor. You told me in the beginning of this year that this year was going to be your best in real estate and I guess god had other plans and needs for you but I know you will be an awesome Angel as well. Watch over us all and thank you for helping me with work stuff. RIP Paige ❤️❤️❤️❤️
