“ *I don't remember his name but my dad, Bud, worked at both Ryder and Sherwin Williams at the same times so they had to have known each other. He died in 2010. I salute his Naval service and extend my condolences.*

“ *My sweet granddaddy was a good good man. The smartest man I have ever and will ever know. He taught me alot all my life. He passed peacefully at home with the love of my grandmama and his family around him. It is exactly how he wanted, couldn't have been any better. He was so special to me and I will always cherish the wonderful memories I will always have. I love you granddaddy!*

I looked forward to Christmas time because we all got our "Emory Gift" he would always include everyone in this tradition. I know Heaven has a new angle. I know he was a Godly man and I'm honored to say I knew him. Love you Gpa Jones!!!!*
