“ He was so loving and a great man. I loved him with all my heart.. he'd tell me he smelled me instead of I love you.. he was always singing to me.. I had our daughter and he was so upset he didn't make it. He was trying to be a good dad but other things got the best of him.. we were always driving around I miss and love him. I have so many memories and I'll never forget you and your daughter will never forget you once I tell her about you over and over

“ When he was around age of 5 or 6 he would come to plant with Glenda on a Saturday morning while she got caught up. He would sit on edge of window looking out onto production floor watching for me to walk by. When he spotted me he would come running down the hall knowing I would buy him a coke and candy (with his energy he didn't need it). Parents should not have to go through times such as this. Rest in peace and may god bless and heal the family through this tough time. God Bless--Cliff, Suzanne and Will Bowles
