“ Anne and I were surrounded by Delta when we lived on Bonny Brook in East Point many decades ago. We remember Essie as one of the kindest and most gentle people we've known. At the time, she was struggling with the onset of asthma but never complained. Bob was an international pilot for Delta. We remember both fondly as we live in Birmingham and offer our belated prayers for the whole family. John Homer

“ Valerie and Robert, I so enjoyed this video. It brought back many memories of years gone by. I don't think I ever remember being around your mom when she didn't have a smile on her face. Her legacy lives on in your lives and the lives of your children and grandchildren. What an amazing mom and grandmother she was. God bless.

“ *My deepest sympathy to all of the family. " Grandma" was the essence of southern gentility. She had a great sense of humor and an unwavering love for her family. I am honored to have known her. I know she will be missed by all who knew and loved her.*
