“ I remember aunt Ethel helping Brenda and myself one year for our 4-H project. I made dress I don't remember what Brenda made. but aunt Ethel helped us both. After the completion of our projects we took them to our schools (me Sandtown Brenda cliffondale) she said that she hoped that we both would win, and so we did. Her response was oh my you know that I have got to root for both of you. mother and daddy had to work so Aunt Ethel took us both to the next competition. I remember it as if it were yesterday, she once again said that she was pulling for the two of us. As luck would have it I won. She jumped up and down and clapped. when I returned to my seat she hugged me then looked me straight in the eye and said I am so proud of you. I'll never forget that. She made me feel 10 feet tall that day.

“ Brenda, Wendy, and Tammy,

We are thinking of ya'll, and remembering ALL of our good/funny times we shared with "Ms. Ethel". She loved each of you so much and each of you and Margie shared in her caregiving. Ms. Ethel was a true "southern lady" who was loved by many and will be missed. We love you all.
