“ My sister Ethel.... She was my mentor and older sister, my matron of honor in 1954, my yard sale shopping buddy, my travel buddy and we had memorable times cooking and picking vegetables in the garden. These are memories that will always be close at heart. Hollis and Linda may your remember the love and happy times and find comfort in these memories.

With deepest sympathy,
Aunt Margaret

“ Ken and I also want you to know we are thinking of you all and praying for you. Remember the good times and what a wonderful Mother, sister, aunt she was to everyone. She will be missed greatly. I remember my first Christmas when I was dating Ken and she had a Christmas get together. She took me around and introduced me to everyone and made me feel so welcomed. Such a wonderful lady! I'm so sorry we couldn't come to the service today. We are sending you an azalea that you can plant in your yard and have a remembrance nearby.

“ Dear cousins, Hollis, Linda and Holly:
I too, have such wonderful memories of my Aunt Ethel from since I was a toddler to this day. I remember my parents and your parents, and Aunt Vicki, Uncle Ronald and Greg, Scott and Todd all went to the lake and camped out. I was four years old or so. I remember riding with Aunt Ethel and her singing with the radio to Ray Stevens' "The Streak". It was the funniest song to me because it had her name in the song. She also gave me and my cousin, Diane some stationery for Christmas one year and we both started writing each other every chance we got - life long pen pals. I love stationery and cards to this day, because of Aunt Ethel. She had the absolute cutest giggle and beautiful smile, and as mentioned by my cousin Karen, called everyone "Darlin". I am so blessed to have had such close and long relationships with my aunts. As sisters, they loved each other so much and all of our families got together frequently. I missed all of that when we moved to Florida. But we all stayed in touch. Your Moma and Grandma was very good about calling me and wanting updates on my Momma for many many years, up until she couldn't this past March. I loved hearing her voice on the other end of the phone supporting me and encouraging me and just telling me she loved me. She always asked me "how's my baby sister doing Kelly". Her baby sister is reuniting with her right now.

I found this photo of your Mom that my Momma took one summer. I think it is beautiful of her with some of her flowers. From my family to yours, prayers, hugs and shared memories. My love to you all and keep in touch.

Yep, I have notecards too from Aunt Ethel and that cute giggle and the shrug of her shoulders if she was being sneaky. So cute.

“ Hollis, Linda and family,
When someone special touches your hearts,
they are never truly gone. My Aunt Ethel was
that special lady and I have so many
wonderful memories of her my whole life. She
was a hard working person and loved her family and enjoyed her
garden of flowers. She was a caring support to your father, a
wonderful older sister to her siblings and a sweet aunt to me and
numerous other nieces and nephews. We loved the happy times
visiting her different houses and have fun memories of each one
especially the one on Rainbow Drive with the creek and rocks
beside the yard. You were always called "Darlin" and I cherish how
she always tried to remember my birthday since it was close to your
Dad's.
I hope it helps that others share your sadness and that time will
bring comfort and peace to your heart. My sweet Aunt Ethel, a
beautiful soul is never forgotten.

With Heartfelt Sympathy,
Karen Drescher Bentley
