*Picture me as I was, Full of life and love.
Although not with you now, I'm watching from above.
I know how much you miss me. And I miss you too. It was my time to leave. As we all will have to do one day. Although I am not in your arms, I will always be in your heart. The precious love that we shared means that we will never be far apart.*

*Those we love never go away. They walk beside us every day.
Unseen and unheard but always near. Still loved, still missed and still very dear.*

As I sit in heaven and watch you every day. I'll try and let you know with signs I never went away. I hear you when you're laughing and I watch you as you sleep. I even place my arms around you to calm you as you weep. I see you wish the days away begging to have me home so I'll try and send you sign so you know you're not alone. Heaven is truly beautiful, just you wait and see. So live your life, laugh again, enjoy yourself, be free then I'll know with each breath you take you'll be taken one for me!

*Those we love don't go away,
They walk beside us everyday,
Unseen, unheard, but always near,
Still loved, still missed and very dear.*
