Tribute Wall

“ I thank God for allowing me to have met Dr. Crews. I am a former patient of his and he saw me at his home in Decatur, Georgia. His kindness and wonderful bedside manner will always be known to those who were blessed to be his patients and friends. I will never forget him. I hope to see him in heaven when it's my turn to pass away. May God help strengthen and preserve his family, Amen.

Truly Sincere,

“ Sorry to hear of Gene's passing. I was on the UCity track team with him. He was a real gentleman even in high school.

“ Gene was one of my closest friends. As youths and fellow athletes, we were inseparable. The fun times Gene, Neil Lazaroff and I had at Mizzou were the best. I was his best man when he married and he was my best man when I married. Although we didn't see each other often enough as adults, when we did see each other or speak on the phone, it took 5 minutes to regain the attachment we had growing up. Words cannot describe how sad I am at this time. I will never forget Gene.

“ *A wonderful person, a scholar, an athlete and one of those special people who never knew a stranger. The gentle giant also had a gentle soul. Our paths diverged after high school but on those few occasions when we saw each other he always brought a smile to my face.*
