“ Nancy,Dwayne and Laurie, I am so sorry to hear about Gene. My Thoughts and prayers are with the family. Gene was like a Dad to me and a Great Scoutmaster. Gene and my Dad took care of us and our troupe. I have mention when I was probably around 8 or 9 years ago my Father was working on our car and Gene was ringing the dinner bell and was calling for Dwayne. Gene came out and had his belt in his hand. Dwayne and I had dressed the same and Gene spanked my butt. When he realized what he had done he was embarrassed. My Dad told him that I needed that anyway. LOL. Gene you have a lot of fond memories we will be remembered.

“ Gene was like family to us Gramlichs. Dad and Gene was a lot of fun and best friends. My sister and I was included with the boy scout events like Lifesaving. Yhe booming YANKEE voice and laughter I will miss. I pray that Nancy, Dwayne and Laurie find peace and comfort. May all their memories be fond like the Gramlich Kids. They were not just neighbors but awesome friends. God bless you all. Love you, Dawn

“ My fondest memory of Gene is when he and I went to Catfish King. That was one of our favorite dinner places our families would go. It was an all you can eat place. Well, at least that was the advertisement. They stop bringing us food and said we ate too much. Maybe there will be a Catfish King in heaven.

“ For the Family of Gene Norris, I have just found out and you have my deepest sympathy. My fondness memories of him is when he would come over and visit my dad. He had a crew cut, and was very clean shaven. (which was popular with men during that day. He was very confident. My sister and I gave him a nickname, we called him "Mr. America". So every time he would come over we would say, "Hi Mr. America". He would smile so big. He was so funny, he would make us laugh all the time. Thank You Gene for all the funny and sweet memories. You will be missed.

Sincerely, Cheri Jarvis
