“ I am so sorry to hear the news. My thoughts and prayer are with you Sharon and Anita during this time. Your mother was always so kind to me. I remember when she let me stay at your house for a while. She is in a better place. We will see our loved ones again.

“ Dear Sharon and Family:

We were saddened to hear of your Mother's passing. Please know that all of you are in our thoughts and prayers. We went to church with her at Sandy Creek.

May "our GOD" afford each of you comfort, strength and sweet peace tonight and in the days and nights to come.

Henry always said that his GrandMother, Mrs. Randle and Mrs. Adamson fried the best chicken. We remember you sweet Mother coming to church one Sunday night and as we were leaving, standing on the front steps; she looked down and had two different shoes on. They had different heels on them. She said, "I wondered why I was walking funny". She also said, "Please don't tell my children". We loved her very much. Shw was a funny and sweet lady.

“ Enjoyed seeing all these pictures of Ms Eunice and some of her family members brings to mind some of the most precious to me. I love Ms. Eunice she was a special sweet lady to me and Buzz...She will be missed so much. Anita I will not be able to be there tomorrow. I cannot drive that far yet. It will two months Sunday since I had the knee replacement but I will be there in my thoughts and prayers. My mother will be 97 this month and she and Eunice always enjoyed being together when I got them together. When my job was transferred to Macon Ga and I was driving back and forth everyday, there were so many days when I would home from work and there was be a hot supper sitting on my steps. When I would tell them in the Sunday School class I taught that the food fairy had been to my house during the week, she and Ms Doris Adamson would look at each and smile but they told me who brought the food. This happened so many times during th 14 months I worked in Macon. Two special precious people who added so much to my life. I enjoyed teaching that Sunday school class and the friendship of so many special folks....I love you all....Ashley and ALex you were so precious to me and Buzz

“ *While I am unsure whether or not I ever met this beautiful lady I have known some of her children. Reading the obituary opens my eyes as it reflects what a loving person she was. Children, grandchildren, great-grandchildren, indicates a picture of how rich she must have been. To all of the family members, I hope for you, peace and precious memories.*
