“ I have so many fond and special memories living next door to you all in Conley...walking to school together, playing kickball in the yard, playing in the "vacant lot" across the road, and me and Lisa spending the night at your house and your Mom making that delicious homemade popcorn for all of us. I am so deeply sorry for the loss of your father and will keep you all in my thoughts and prayers. We love y'all so much!

“ I am saddened to hear about Floyd's passing. I would like to share a few memories that I have about the man that got me through some tough times. I think it was 1995 when I first met Floyd at lake Peachtree fishing and almost instantly we became friends. This great man taught me everything about fishing from how to catch the to clean them and sometimes Coconut would help us clean a few fish from time to time. I can remember the first time we went off fishing I met him at his house and we loaded up the boat and attached it to the Pinto and headed to griffin reservoir for a day of fishing. We had many great times fishing and tinkering around the shop. That man could fix anything. Thru the years since we became a little distant but I always knew if I wanted to GAB a little bit I could call my friend Floyd. I really loved that man and will miss our conversations greatly.
