“ *Butch Casey was always a quiet boy who would always give you his cute "Half Smile"! And yes, he was known as "Mr. Football". I know you are with your Maker and your pain is gone. That half smile is now a full smile and you are out of pain! We all remember our "Mr. Football". Rest in peace! Condolances to all your family!*

“ *A favorite memory of Butch...when the game announcer at the SWD football games would say, "And another great run and SWD touchdown by Butch Casey!" A sentence often repeated during a single game. Thank you for your service and for the great memories, Butch, you gave us a lot of them. With my deepest sympathy to the Casey family.*

*What a great friend he was. We spent a good of time together our last two years of school...that "Cheshire Cat" smile was for real and nobody could stretch for a ball at first base like Butch.
Thank you, Butch, for being my friend. We all will miss you.*
