“ Just learned of Nadine’s home going! We were great friends and prayer partners at work in govt office and many years afterward. A precious person who loved the Lord! Remembering her with rejoicing she is at home and whole now. Sorry I lost contact for a while, but glad I found this record. Thanks for opportunity to put my word in. “ Nadine and I started to school at the same time, she took many vacations with my family and we had a wonderful friendship. She sent gifts to my son when he was a little one, gave me a surprise birthday party, when I was visiting Atlanta. A wonderful person! We stayed in touch as long as we could---she was like a sister to me. Nadine will be happy now that she is with her mother. Deane Morgan Almand

“ Nadine was my first little friend and playmate in kindergarten. Once she came over to play with me after school. I was riding her on the back of my tri-cycle and she fell off and broke her arm. Her Mom was not too happy about that. Nadine was a beautiful person all thru school. Betty Jean Harmon-Burnett

“ *I am so sad today!! My best friend, EVER, passed away after a long illness.*

*Nadine and I have been best friends for over 70 years and never had a cross word between us in all that time. We met in Jr. High School and shared many happy memories over the years. Nadine, Pat Wootan Smith and I shared many happy luncheons at Swan Coach House and other places through the years.*

*I will remember Nadine with great love for the rest of my life, and never forget the happy times we shared. I love you, my dearest friend!!*
