“ *One that comes to my mind was when we were kids... how me, Frankie and Ruben would camp out on our front yard. We would walk what seemed endless nights around the neighborhood under the many bright stars on a summer night. We often wandered if there was something about why the stars were bright and seemed happy. Frankie you are now one of those stars now giving laughter to the other stars. Thank you for the all the good times we had. Say hi to all our folks in the heavens and continue to watch over your loved ones as we gaze into the evening skies at all the bright and happy stars. Cheers cousin!*
