“ Dear Pauline and Laurie,
I wanted you to know that some of my very fondest childhood memories, actually of my entire LIFE, include the years we spent in those barns and pastures off Peters Road in Palmetto, and none of that would have been possible without Frank. I know that those years and those experiences enriched my mama's life as well. And it goes without saying that the many decades long friendship with Frank was one of the most important in my daddy's life. Your family has significantly touched mine, and I am forever grateful for the memories! I am thinking of both of you as you say goodbye to this sweet man.
With love,
Wendy Crawford Weatherford

“ Heartfelt condolences to the Cook family. Frank's passing is certainly a great loss, but the promise of seeing him again is a tremendous comfort to those who love the Lord. May you find renewed hope in 1st Thess. 4:13-18. It paints a picture of a bright future with a grand and glorious family reunion !

“ Retired Captain Shirley Britton, he was my first supervisor in the field, zone 4. I was a sergeant at the time. I can still remember this roll call meeting. He had a report in this hand and a supervisor had signed it without reading it. It talked about E.T. last seen on I-285 with one glowing finger in the air saying E.T. phone home. The laughter. Rest in Peace my Major.
