“ Uncle FRED... You will be missed! I have such fond memories of you and the Hurley family..! A patient man and great example for us growing up. William and I always looked forward to spending time with the Hurley's from times in Red Oak to adventures in Wedowee. You taught me how to ride a motor bike and a riding lawnmower... I remember helping to build a well spring and the worlds longest boat ramp...WE LOVE you and we are comforted knowing you are in our Lords hands now.. God speed...
