“ Uncle Freddy was one of a kind! One of my earliest memories of him was of his homecoming from Vietnam. Grandma and Pap had a big sign across the front porch that said "Welcome Home Flop." He brought us kids (his nieces and nephews) hats worn by the people in Vietnam and I still have mind. You hold it to the sun and there are designs in it. How did he bring those 4-5 hats home without a dent or tear in them? all for us. He will be missed by all of us - always smiling, always happy. He gave me my nickname "Becky" when I was a little girl and I cherish being called that because when I hear it I know it's someone in my family calling for me. Sweet, sweet man and extremely smart. I loved him greatly.

“ *Judy Ann, boys their girls, and especially Christine, during the most important years of my life we were closely connected because of our Momma's work. I knew each of you well by proxy and loved you because I loved your Momma. My heart, prayers, and sympathies are with each of you. Freddy was a wonderful man and loved by many. May God give you comfort in the days to come.*

“ My sweet brother, as much as my heart hurts, I know you are not suffering any longer and at peace. You have been the one who had so much love in your heart, always telling me you loved me and would give me a hug and kiss. We share so many wonderful memories, that I treasure and thru bad times you were always there for me. How blessed I have been to have been your sister. Sit on that porch in heaven, with Dad, Mother and Harry, as we did on Stonewall Tell and I will see you all one day. I love you!
