“ I worked with Gail for many years at Delta Air Lines. I have to say... she was always a great inspiration, a true role model. We have lost an incredible lady!

“ *There are so many wonderful memories of Gail as my forever sister and then my friend that all of them are so precious because she made every minute wonderful and made every person special. We should all live our lives as she did hers and the world would be so much better off.*

Gail was an angel on earth and now she's an angel in heaven. I'm so glad I got to visit with her during Thanksgiving last year. We talked for over an hour and I held her hands the entire time to keep them warm (mine are always hot and Gail loved it)!! I'm comforted knowing that she's no longer suffering and that she's singing praises to Jesus in heaven. I love you Michael and Debrah and your families, too. We know we'll see Gail again in heaven. God bless all of you. Love, "Sunshine" and husband Brad Sigler.

“ My favorite memories of Gail and Ginger were the summers I spent with my cousins. We grew up very close. Our Moms were sisters and we were like sisters too. Also the times spent at Lake Lanier when we grew up and had families. ❤️❤️❤️❤️
