“ Our hearts and prayers are with Gail's family. When our family moved to Fairburn, Gail and her family were instantly good neighbors and friends. Gail and I shared many wonderful times from early years on through high school. Our paths did not cross again for a few years, but then we reunited at Antioch Methodist Church. Once again we enjoyed a close friendship, and we both enjoyed seeing our children enjoy a close friendship. Gail was always a true friend. May God comfort and strengthen you in knowing how He also loved and cared for her.

“ Ms Gail would always either wave or stop and visit when going down the dirt road. Never just went by without a word. Will miss her, but your family's in our prayers.

“ Rhonda, Leah and Alex,

I have many fond memories of spending the night at your house on Cedar Grove Rd.

Your mom was always kind and I will always remember her laugh. I pray that God's love fills your hearts during this difficult time. You will be in my thoughts and prayers.

“ Gail was my best friend when we started first grade at Campbell High School and MP Word when it was completed. I was her shadow for many years because I was so shy and she certainly wasn't. I spent a lot of time at her house having fun. I always loved her and her family.
