“ *Gail and I were friends through my mother, Sue McDaniel. Mother died in 2019 at almost 103 and Gail kept in touch with her until the very end. That's the kind of person Gail was. Always making quality time for others. I am comforted by the image of "Miss Sue" welcoming Gail on the Other Side. I have no doubt that Gail is fine there. My deepest sympathy to those dear to Gail who must now go on without her. With love, Barbara McDaniel Ray*

“ *Gail was without a doubt one of the best people I've ever had the honor of calling friend. I was a seller at Gail's Antiques for around 2-3 yrs prior to its closing. She showed me how to be a better person. My husband Julian and I loved her dearly. I'm now concerned about Bonnie and so many who have been devastated by this loss. I'm not worried about Gail. Tho I know she wanted to be here for her family and friends, and Senoia, she is with her Don. She was one in a million and we dearly loved her. Our prayers for her family. I sadly will be out of town and will miss the service.*

“ *Gail was like part of our family, we are crushed for those left behind but celebrate her reunion in Heaven. I will never forget her, she was a great friend to my Mom Suzanne and when we would go into town my youngest who was about 5 at the time always had to “go see Gail” when we left he said “Gail, I love you” that made her so happy, she was a natural grandma even if she wasn’t your actual grandma! She can never be replaced and we feel so blessed to have been close to her. Until we meet again.*
