My dad, Charlie Nave (former Fairburn Police Chief), knew Gary. Dad passed away in 2009, but I am sure, like myself that he would be so sorry to hear about Gary's passing. From what I heard from my dad and others who knew Gary, he was a kind and sweet man with a big heart. From the Nave Family to the Aldredge Family, our infinite love, thoughts and prayers are with you all.

Our prayers and deepest condolences to the family! I met Gary when I was a young man at the age of 24 at Peachtree Mechanical. It was a pleasure and privelage to work side by side with Gary in the 80's and 90's. I remember riding into work with Gary for a few years and he taught me a lot about the mechanical trades. He was a very humble, smart and funny man who I always looked up to. His legacy and wisdom will be carried on through many many people in the mechanical industry. He will be missed.
