“ Gary and his gift of photography in this life will be missed. He has bestowed many memories through photograph to many in his life. I have only known him for about 6 years but, he was a great person. Always sharing wisdom and pictures with those around him.

“ Heartfelt sympathy to the entire Greaves / extended families. I had the pleasure of working with “Pops” since his arrival into Aircraft Routing. While Gary and I are not that far apart in age there was always an inner comfort talking with him. He was extremely proud of each of you and never had to say how much he loved Lind-er (New York accent for Linda) as it was evident in his tone.

May God’s arms reach around you all in comfort during this most difficult time, “Pops” will be dearly missed.

“ *I will truly miss Gary.*

He was a pleasure to work with and a kind & thoughtful human being.

Gary treated us at work with pretzels or M&Ms! Sometimes he would pass out caramels too!

I will miss the emails he sent us, sharing photos he took during road trips & vacations.

I enjoyed listening to him talk about his family - especially his grandkids. You could tell they gave him a lot of joy.

...and Gary always called me 'Bob' (from way back in our bowling days) - I have know idea where he got that from! But I can imagine him now trying to get my attention at work calling out "hey Bob!" and of course I would answer back "whaaaaat" as if that was really my name!

.... yes indeed, I'm going to truly miss Gary Greaves!
