“ I was saddened to read of Gary's passing. I knew Gary when he was a student in my classroom at Clifondale Elementary School. I remember him as always happy and friendly. A fine young man, Gary will be missed by all who knew him.

“ Wanda,

I am sorry to hear about your brother. I have thought of you many times and the fun we used to have when we worked together at Hertz.

It is hard to lose a big brother. I lost one several years ago and I still think of him and miss him.

“ After living next door to Frank,Hazel and Gary for more than twenty years: I have to say that I am at a loss for words.

Great neighbors and good friends.

Gary and me were special friends because he had the tools I needed to borrow and I did!! Still have some I'm sure.

Hot summer days cussing at a stubborn bolt on his tractor or my car. Memories forever .

We he moved away,we didn't see each that often.

But once in awhile we would see each other in a store or on the road....

Lost ; One Golden Moment...Embossed with sixty diamond seconds:

Yet no reward is offered for it lost and gone forever

Ride West Cowboy...ride West
