“ *CUZ, I spoke to you just a few days ago and you were doing good, but for years you always said "I'm hanging, CUZ"...Since 1979, almost 40 years, we called each other CUZ and always treated me like your baby sister...For so many years we shared alot a laughs, joked and cut up, chatted about Cody and I always enjoyed seeing you when you came into the insurance office when I worked there in Fairburn, just to see me and have me take care of your insurance and no one else, you and I had loads of laughs about that and lots of stories about my Dad when he was chief of police in Fairburn and how much you respected him and liked him...Randy Huddleston passed, those words don't seem real nor do they belong together...CUZ, you were one of a kind, God broke the mold when he made you, that's for sure...I'll miss you very much and our chats...God Speed and Rest In Peace...I love you, CUZ <3 <3 <3. And don't worry, Cuz, your boy will be just fine: Cody, I'm here for you, Cuz if you need anything, anytime...My infinite love and prayers to you and your family always <3 <3 <3*

“ Randy was a jolly and very caring and helpful person. He and Cody worked on my car one time for me, teaching me how to do the same repair...He will be missed by all. Sending prayers and hugs for all his family.
