“ Gary was a neighbor of ours on Brookdale Drive in East Point. We went on several skiing vacations to Snowshoe WV and Maggie Valley NC, fishing trips to Lake Hartwell, cookouts in the backyard, and a costume Halloween party. .Gary came to the hospital to visit when my son was born and carried him into the house. He always knew how to have a good time. Although Charlie and I haven't seen Gary in some time we will always have fond memories of times past. We are so sorry to hear of his passing.

“ *My daddy was the toughest man I've ever met. He had such passion with everything that he did and loved the Lord and his children more than anything. I hope that you are dancing away in heaven with my momma and folding your angel wings over me for the rest of my life. I will carry you in my heart for forever and miss you until I take my last breath. You were loved my so many and touched so many lives. I have to trust in Gods plan. Rest In Peace my sweet daddy*

“ *I first met Gary when he was just a little boy. The baby brother and he was so darn cute. I'm sure Janice & Carol spoiled him. Last time I saw him was last year at Carols BD party at her home. We had a great time that day. To the family I'm so very sorry for your loss.*

“ When I first met Gary at Parklane Elem his first words to me were "Can you fight?". It's was a fantastic friendship that grew from there, I've always enjoyed my time with him when he was around. I've admired his many experiences and hope his family can be joyful in appreciating how many people have been able to enjoy his company throughout the country. I never knew him to just sit around very much. Nor that driving was his best attribute. We'll miss you friend, it was our pleasure to have you here with us.

What a great story I heard at Shad's funeral, a few years ago, from Jerry Pece about the plaster cast made of your head that one night. You lived life large and I salute you for that. You will be sorely missed. Rest easy, and know you are loved by many.*
