“ We are so very sorry to hear of Mr. Gene's passing. We just heard late today, Friday. We spent many years from the time I was 12 years old until my grandmother passed away, living in the little (then pink, now blue) duplex apartment next door to the Chastains. My sister and Rhonda were best friends from the time they could walk. They were the finest people anyone could ever meet. My family, the W.T. Jones family, sends our condolences and my daddy, Bill (W.T.) is very sad tonight, hearing about this great loss and looking at all the photos and thinking of the memories when we were neighbors. They were always SO good to us and to our precious grandmother when we all married and she continued to live in the duplex. I know Rhonda well, and remember our Panama City trip, you, my sister Penni and me. It was so much fun! SO sorry , Mrs. Judy, we didn't make it to the funeral home, and daddy is not physically able to make it to the burial but ALL the Bill Jones family sends you and your girls and family our love and pray for comfort. Mr. Gene was a wonderful man and you are a wonderful woman who we love dearly. God bless you all. Terri Jones Dewberry and family of Bill Jones in Palmetto.
