“ My dear friend Dixie (Doodle),  
I am lost for words to express the sadness that I feel for you and your family. Gene was always kind and generous whenever we were together. We have shared so many wonderful memories together over the years. Gene will be deeply missed by everyone that ever had the pleasure of knowing him, rather it was personal or professional. May the memories you have together forever live within your heart, where he always be. Peace be with you and your family.  
Love,  
Cheney
