“ I only knew Mr. Presley for a short time. He was a man of little words during our encounters at City of Riverdale Planning Commission meetings. However, I realized that great communities were built around people like Mr. Presley. He was faithful, true, and engaged with his city and his neighbors. He will be missed.

“ Dear Glenda and family,

May I extend my heartfelt sorrow in Gene's passing and gratefulness in knowing him over the last 25 years. God placed him in my life at the German Consulate where he explained the ways of the South to this New Yorker with a German heritage. I loved how straightforward, kind and wise he was with every customer as well as myself. After working with me for 15 years, we enjoyed rocking in the rocking chairs at Cracker Barrel. Here we caught up about work and family as well as the interesting stories he had.

I look forward to seeing him again in heaven where I know he is enjoy catching up with all those who have gone before him.

Many blessings,

Judith C. Albrecht

“ So many memories of you brother...from the cool cars you had when you were young, driving wreckers, following In daddy's steps selling cars, to you and Glenda living across the street from us after Mother died and making sure I got to school every day and having Cindy that helped me get through those difficult times, to our late Presley Christmas white Elephant celebration, which always brought much joy to you and our family, to The City of Riverdale honoring you with a wonderful ceremony this past summer to the last time I talked to you and you saying I love you too and telling someone in the room with you at the hospital that's my youngest sister. I'll miss you Gene and love you, your sister Cathy
