“ George and I worked together at Georgia Tech. He was in the Airforce Reserve at the time and secured an invitation for me to a luncheon at Dobbins. They were thanking the employers for supporting the reserve airmen. They let us go up in a C-130 and I was able to sit in the navigators seat while we flew over Georgia Tech. I was 33 years old and it was my first time in an airplane.

*Our heartfelt condolences to you, dear George and Robb.
Your father George was a lovely, generous person and my cousin Edda's husband.
He met, loved and married her in Germany and she followed him to his homeland.
We got to know him personally during his visit to Germany and from then on we were always closely connected.
After Edda's death, he often and happily traveled to Germany, also with his friend Paul.
Our last face-to-face meeting/dinner was on October 28, 2022.

“ *George was one of the hardest-working people I've ever known. He was always willing to lend a hand when you needed one.*
