“ I have so many good teenage memories with phil, johnny& Chuck Weekends at Duncan Park or just hanging at Hudson plaza (the old quality market) we had lots of fun doing absolutely nothing but hanging I remember we used to sit on the roof of the house and smoke or hang out in the little Cemetery in Fairburn. I never had to worry about anyone messing with me because the three of y'all make sure they didn't. RIP phil. you will be missed terribly by everyone who knew you prayers for your wife and family

“ Phil was a great friend, over the years he has always been there for our family with what ever he could help with. Most of the time he would never accept payment for helping with my A/C or anything else he helped with. Not just me though the list of people he helped could never possibly be kept up with by one person. My son Robert loved to see him pull up at the house. He was one of the best friends ever. He will be missed and remembered by my family from now until we are gone.R.I.P MY FRIEND WE OVE YOU ALWAYS!!!
