GW

“ George was the hardest working man I have ever known. He was honest and he always did what he said he would do, on time and done right. We miss you already George. You can hunt the big deer stand this year. I was lucky to have a friend like you.

George Watkins

*Dear Curlee Q. We feel so sad on this rainy, gloomy night. Just wishing We could see your big old smile just once more, and the light in your eyes when you'd amble that long, lanky frame of yours thru our front door. We would just tell you again how glad we were to see you. And make a plan to comedown and sit by the campfire with you and Roger after dinner. I wish I had seen those pictures in the video earlier since I've only known you the last five years. Gee! I didn't know you were a movie star! You and your beautiful wife that you've missed so much.*

*Go with God, dear friend. You've suffered so courageously and so patiently these last years. I know the girls in dialysis are going to miss you too. You were an example for us all. We love you, Q. Now and always.*
