“ ED will be missed, the phone calls just to check on David and myself. He always started the conversation with I'm coming after my check. He faithfully drove my dump truck until his vision failed. Peace to all the family.

“ My sister and I, children of Michael Nestlehutt (Frank's oldest son) remember seeing Edward at a funeral years back. He looked identical to our grandfather, who we had lost recently, Frank Nestlehutt. We couldn't get over it. We asked if we could hug him and we did over and over. He had the most beautiful blue eyes and warmest smile. He always asked about us, even the last time he and my dad spoke. None of us 4 children of Mike have blue eyes, and neither does my husband. But my 1 year old has the most beautiful blue eyes. Just like Edward and Frank ❤️
