“ Patricia, I just want you and your family to know that you are in my thoughts and prayers. I really don't know what I can do. I don't know what I can say, but one thing is for sure, I can pray. And I will continue to do that. You know over the years I always told people that I sympathized with them in the loss of a loved one and I really and truly thought I did. But that was before I lost Gene and now I truly know how that loss feels. Just know that I am here for you at any time that you need a listening ear Or just someone to talk with.
