What a beautiful tribute to our sweet and very special friend. We can't imagine life here on earth without our Mac. Not a nicer guy to walk this earth than Randy. So thankful for his precious testimony and how he lived it. We are so thankful for Ann and all of his precious family. We love you and will continue to pray for all. Love always Grant and a Donna

I just wanted to offer my thoughts and prayers to you all. Coach McClure, their always coach, was inspirational into my developing into a young man and I'll always be great full. I was only able to have him for that one year, his last in coaching, but feel fortunate to have to gotten to experience that with him. He taught me that you could be serious, focused on the task at hand, yet still have fun doing it. Winning wasn't everything but competing and putting yourself into position to be ready to compete, was. This is the life lesson that I took from this man. Myself and everyone that had the chance to meet coach, is better for it. RIP coach. I love you and you'll be missed but never forgotten.

“ *I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the sciptures fill you with hope and promise.*

“ *I have many memories of growing up with Randy. Memories of Sunday School and Vacation Bible School at Mt Vernon. I remember when I was 5 yrs old and Pallie took us along with some other cousins to see The Skipper Ray Show downtown, Randy was a kind and always sweet to me even though we were related! Saw more of him the last couple years at church with his mother. I will miss him.*

“ Ann, I am so sorry to hear this news. Both of you have been in my thoughts and prayers and you will continue to be. I do want to say that the day several weeks ago when you were in my home, I really enjoyed the time I was able to spend with you both. I remember the day Randy came into the McClure family and what a happy day it was. He has been an inspiration to so many people. Please share my thoughts and concerns with Randy's children.
