“ Donnie,

*I was very sorry to hear about Georgia and did not know of her passing until yesterday. As you are aware she was a wonderful woman; kind, caring, loving, a great sense of humor and sometime when necessary frank. She was the “mother superior” of the staff development center and we all listen when she spoke. She helped me immensely as I was learning about life in the central office and I will never forget our time together at College Street and the Staff Development Center.*

*My prayers are with you and your family.*

*With much love and respect,*

“ I am very sorry about your dear loss. How thrilling of a time it will soon be when we are reunited again with those we love to enjoy endless life together as our Loving God has promised (Isaiah 25:8; 26:19; 55:10, 11)! May this promise, soon reality, comfort you and your family in the days ahead.

“ I loved Georgia's witty personality. She was funny and always willing to help anyone that was in need. She would tell me how much she loved my Mother and that she prayed for her. I always admired the devotion and love she and Donnie shared. The family is in my prayers. Carole Green

*J.T. and I have enjoyed the friendship that we had with Georgia and you for many years and I will always cherish our memories that we have.*
